ARTWORK CAPTURES FOOTWORK

FASHION designer turned artist Irene Prada has launched a new collection. The Spanish artist's unique prints reflect her earlier vibrant drawings as a designer in haute couture, and she produces highly textured and intricate, small edition prints. Her work can add impact to any interior, as an individual statement piece, or as a striking group of prints. Irene Prada has exhibited in London, New York, Japan and throughout Spain. Her work resides in art collections worldwide, including the Spanish Foreign Office and numerous embassies. Prices start at £ 365. From www.morgandaviesart.com/ tel: 07773 593122.
